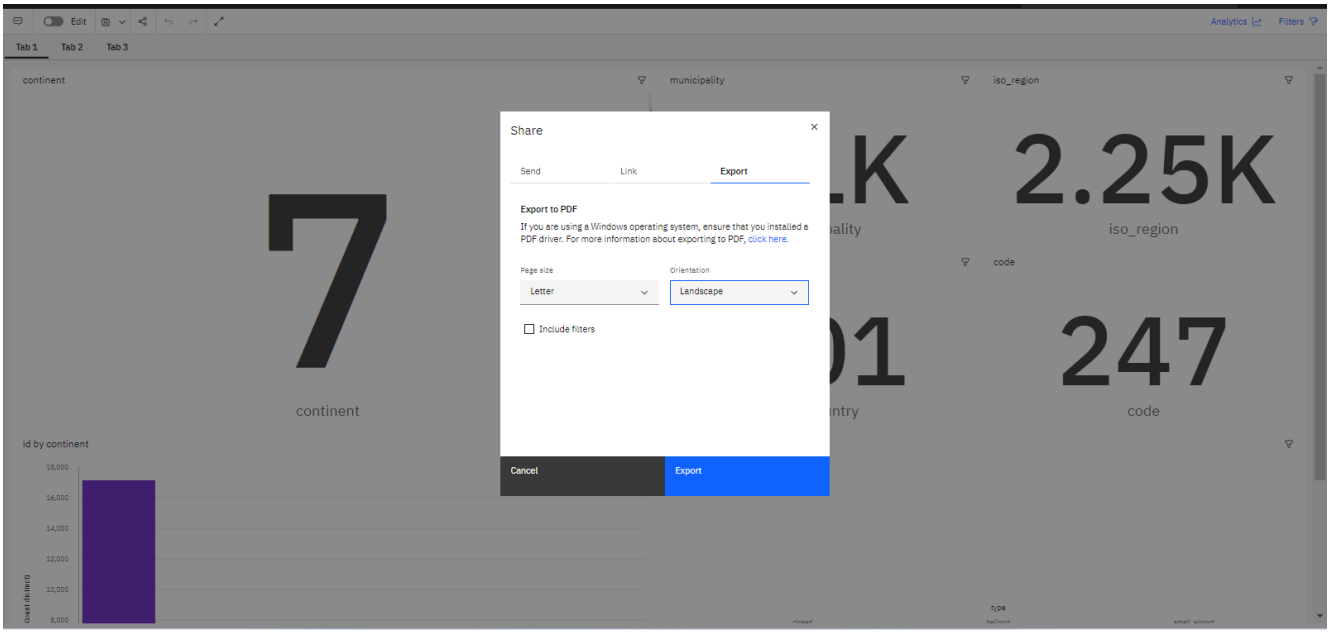
REPORT GENERATION FROM IBM COGNOS DASHBOARD

As an user, I can get the detailed report on the particular visualization , I have visualized on the airstat dashboard. Steps to obtain the report is explained through the following snapshots.



STEPS :

1. Click on the share button from the menu tab.
2. Click on the export button from the share dialog box.
3. Select the letter option from the page size dropdown.
4. Select the required orientation (Landscape) from the orientation dropdown.
5. Click on the export button from the dialog box.
