Brainstorm And Ideation

Karthik

Summary cards	Airpods and no of municpality	Waterfall chart
No of Airports by Continent	Fight count by Categories	Data visulization
Pie chart Continent vise	Packed buble cart	Continent filter

Elavarasan

Understanding data set	Labtitude deg	Airstats data in airport
airport performance report	Resources coverage data	Load the data set
perform join of data set table	IBM cloud	Multiple analtical grapic

Tippu Sultan

Fight type filter	coloum chart	Exploration of data
Understand the discriptive statitics	Data preparation	Calculated feld
Data set	IBM cognos	Data stored in spreadsheet

Raghavan

Fundamental concepts of IBM cognos	Create meaningfull dashboard	Third party view
Create meaningfull irtuialization	Planning phase	Promise the passanger from point to point on time
Development	Provide airline airport	Travelling public with a netal
